

# Can You Hear Me Now

# 6

*What the Bible teaches about Prayer*

What can be more powerful and transforming than talking to God and knowing that He hears us? What can be more life-changing than knowing that our prayers are a joy to the Lord and that the prayers of our hearts receive the response and attention of heaven? The answer is nothing. From the prophets of the Old Testament to apostles of the New Testament, prayer was the a constant connection with heaven.

If God was so sincere in answering the prayers of his people in the past, how reassuring is it to know that we can rely on Him to answer our prayers in the present.

The writer of the well-known song, “*What a friend we have in Jesus*” wrote, “*Oh what need we often forfeit, Oh what needless pain we bear, All because we do not carry, Everything to God in prayer.*”

If ever there was a time that we needed to pray and keep a constant connection with Jesus, it is in these troublesome times. There is no prayer that rises from a sincere heart that will not receive the attention of our heavenly father. However, one of the reasons why we have so little power to resist temptation and experience victory in Jesus is, we don’t communicate with Him as we should.

As you study you will discover the need, the conditions, the *guarantee*, the *roadblocks*, and the *power* of prayer. You will also have the most meaningful two-way conversation with Jesus that you’ve ever had.
