

The Judgment Hour

13

How to have Confidence in the Judgment

The good news is, *Jesus is coming again!* The sobering news is, prior to His return there will be a judgment to decide the eternal fate of humanity. Everyone that has ever lived will face the judgment. Every case will be decided in favor of life or death. Every deed we have done, every word we have spoken, every action we have taken will be revealed in the judgment. Our thoughts, our actions, and our deeds are being recorded in the books of heaven. Every secret thing we have ever done will be revealed and brought to light. None will escape the judgment.

With that unavoidable certainty before us, there are only two choices that we can make. We can choose to represent ourselves or we can choose Jesus as our Judge and our Advocate.

In the judgment those that have Jesus as their Savior will find pardon, peace, and eternal forgiveness. The great love of God will be revealed in behalf of those that have excepted his Son as their Savior. Every provision has been made for us to face the judgment without fear.

Those that are clothed in the righteousness of Jesus will have their sins blotted out in the judgment. According to Revelation chapter 14 we are living in the time of the judgment. As you study this outline I pray that you make the choice to have Jesus as your Judge and Advocate. When you receive Him into your life you will find confidence to face the judgment and peace as you prepare for His glorious return.
